2013 NWG/NW HARVEST CHARITY GOLF TOURNAMENT

Mark your calendars now to participate in the 2013 NWG/NW Harvest Charity Pro/Am Golf Tournament being held at The Golf Club at Newcastle on Monday, September 9th. 100% of the net proceeds go to NW Harvest to help feed the hungry all across our state. NW Harvest has hundreds of food banks that they service. If there is a local food bank in your area than NW Harvest probably helps supply it with food. We are excited and privileged to be working with such an honorable organization while having fun on the golf course at the same time!

Contact Judith Smith at NWG to get more information if you are interested in participating and supporting NW Harvest.

😊 GROCERY GIGGLES 😊

The customer ahead of me at the supermarket checkout counter had written a check for her purchases and was waiting for the clerk to package them. Instead, citing "company policy," he asked her for identification. The shopper looked astounded, then finally managed to say, "But David, I'm your mother!"

KIDS' FAIR AT CHESTER'S THRIFTWAY

Mothers' Day weekend was really busy for the folks around Chester's Thriftway in John Day, Oregon! They hosted a Kids' Fair with a petting zoo, free train rides, bounce house, cotton candy & hotdogs. They also had a booth for Families First, a non-profit group offering family support and education in Grant County, and the local dance team ran a tattoo booth. Also included in the festivities was a huge produce tent sale and a lot of hanging flower baskets were sold. Even Peare from the Kids' Club showed up for all the fun!

Check out the pictures and see for yourself! Great job, Chester's! Looks like you had a great time!
