LAMB'S GARDEN HOME— EASTER

HILLTOP RED APPLE — TYLER LOCKETT

BRIDLE TRAILS RED APPLE— FUNDRAISER

Bridle Trails Red Apple was fundraising throughout the month of December for Mason Gordon, who was diagnosed with brain cancer four years ago and is currently undergoing proton radiation treatment. A raffle with proceeds benefitting Mason and his family took place at the market as part of Red Apple's Santa Saturday.

A GoFundMe page, [gofundme.com/1xrphw](https://www.gofundme.com/1xrphw), was also started by friends of the family and has raised more than \$26,000 since January 2013.

What an amazing thing to do on behalf of a child and family in need! Thank you Lori Croshaw and Bridle Trails Red Apple for your fundraiser and representing your community so well!

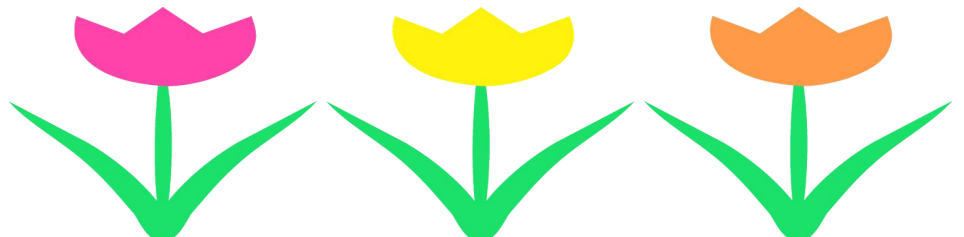

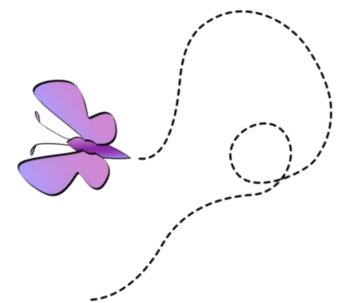

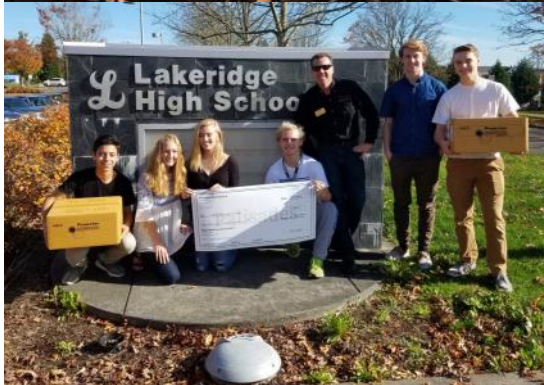

PALISADES MARKET PLACE— SCHOOL DONATIONS

The crew at Palisades Market Place in Lake Oswego, Oregon collect and sort through thousands of recycled cans and bottles all year round. The money raised each quarter is then delivered by Store Director, Troy Wolfe to 15 local schools and used at school discretion. Pictured at left is Troy presenting a local school with a check for \$825.00 and pictured below he is presenting Lakeridge High School with a check for \$1,500.00. The donation made possible the ability for the school to purchase two (2) new projectors, that the students are holding.

What a great way to connect with your community Palisades Market Place! **KEEP IT UP!**
